

FISCAL NOTE

TO: Chief Clerk of the Senate
Chief Clerk of the House

FROM: James A. Davenport, Executive Director

DATE: February 21, 1995

SUBJECT: **SB 14 - HB 503**

This bill, if enacted, will abolish determinate sentencing for juvenile offenders.

The fiscal impact from enactment of this bill is estimated to be a cost avoidance for the Department of Youth Development due to some juveniles serving a shorter time in a Department of Youth Development facility. It is also estimated that the bill will increase expenditures for the Department of Correction due to additional juveniles being tried as adults and sentenced to adult correctional facilities. The net fiscal impact from the cost avoidance and increase in state expenditures cannot be reasonably determined but is estimated not to be significant.

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.

A handwritten signature in black ink, reading "James A. Davenport". The signature is fluid and cursive, with the first letters of the first and last names being capitalized and prominent.
